**Subject:** FW: City of University Heights - Proposed Development

Got this while I was on vacation. Can we please take a look to see if it is a good project? Any information we need from the city let me know and I will get you in touch with the right people.

Thanks.

Lee Grassley

**Subject:** RE: City of University Heights - Proposed Development

Lee, this appears as it would be a good project, this project has been in development for several years, we have coax and fiber on the south side on Melrose and what we would ask for is a conduit be placed from the building to the ROW during their construction of the building. Thanks
