Re: Proposed Ordinance Changes
Public Hearing September 12, 2017

Greetings,

I am writing to inform you that the University Heights City Council will be considering changes to some City Ordinances at its regular meeting at 7:00 p.m. September 12, 2017. The Council will hold a public hearing on these proposed changes toward the beginning of the meeting.

Some of the ordinance changes have been recommended by the City's Zoning Commission, and a summary of those, prepared by Commission member Alice Haugen, is enclosed. You can also review the proposed changes on the City website.

An additional ordinance change involves the rezoning of the property at 901 Melrose Avenue to permit development of a hotel there. Additional information about this and all of the proposed changes may be found on the City website, www.university-heights.org.

The Council meeting September 12 is a public meeting (just like all Council meetings). You are welcome to attend and provide your input.

Sincerely,

Louise From, Mayor
