RE: University Heights 2016 Sidewalk Repair

Dear Mr. Heitman:

Regarding the 2016 Sidewalk Repair project, we contacted 8 local contractors that were qualified and experienced with this type of work, and sent them a request for quotation for these repairs. The project notice was also posted on the University Heights website. On May 9, 2016 at 10:00 am at the Shive-Hattery office, two quotations were received and opened for this project.

Attached is a tabulation of the quotes received. There were no irregularities found in the quotes. The low quote in the amount of \$5,707.00 was received from JDM Concrete LLC of Kalona, Iowa. The engineer's estimate was \$5,451.00.

Based on these results, we recommend award of contract to JDM Concrete LLC based upon their lowest responsive quote. If approved by the City Council at the May 10th council meeting, we will distribute the contract for signatures and notify the contractor to begin the work.

Please contact our office if you have questions.

Sincerely,

SHIVE-HATTERY, INC.

Josiah D. Bilskemper, PE
