

Trimming of Trees and Shrubs

Ordinance #52 requires the owners of private property to be responsible for the proper care and maintenance of all trees and shrubs located in the “parkway” adjoining their property. All trees and shrubs on this property should be trimmed to allow free passage of pedestrians and vehicular traffic and not obstruct the vision of traffic signs on any street intersection.

No person, firm, or corporation shall plant or remove any tree or shrub on public property without specific approval of the Town Council of the Town of University Heights, Iowa.

ORDINANCE 52  
SECTION 4

All trees and shrubs on public or private property bordering on any street shall be trimmed to a sufficient height to allow free passage of pedestrians and vehicular traffic and so that they will not obstruct or shade street lights, the vision of traffic signs, or the view of any street intersection. The minimum clearance of any overhanging portion of such trees or shrubs shall be eight (8) feet over sidewalks and thirteen (13) feet over all streets.

ORDINANCE 105  
SECTION 2.B

Fences and hedges or other plantings shall be located so no part thereof is within two feet (2') of any alley or a street right-of-way line.

\* SECTION 2.C

At street intersections, no fence, hedge, or other planting more than three feet (3') in height above the curb level shall be located within a triangular area, two (2) of its sides twenty-five feet (25') in length and measured along the right-of-way lines from the point of intersection.

\*\* SECTION 2.D

At street intersections, all trees shall be trimmed such to a height not less than eight feet (8') within a triangular area, two (2) of its sides twenty-five feet (25') in length and measure along the right-of-way lines from the point of intersection.
