### Disclosure Statement

*"In 1998, McKinley Place Properties L.C. bought four condominium units from Prime Ventures L. C., according to real estate records on file with the Johnson County Recorder's Office.*

*Members of McKinley Place Properties included Louise From and Dell Richard, and their respective spouses. Richard is the attorney for St. Andrew Presbyterian Church.*

*Members of Prime Ventures were Jeff Maxwell and Gary Watts.*

*"I had no idea that Jeff Maxwell was part of Prime Ventures until January 3, 2011, when some of the real estate papers were shown to me. When the condominiums were purchased, the real estate agent was Gary Watts, who I thought was the sole owner of Prime Ventures. The 1998 purchases were the only business dealings I have had with Prime Ventures.*

*"I am publicly outlining this transaction in the interests of full disclosure. I have spoken with the city attorney, and he has indicated that the condominium purchase does not present a conflict of interest that would prevent me from acting in my official capacity as mayor during the consideration of the proposed rezoning or during the later consideration of a PUD Plan Application. If any council members has questions about this, I will be happy to answer them."*
